Baby Visitation Programme**

Your baby is finally here!

Dear parents, your baby has arrived! We would like to congratulate you on this very special occasion!

Your baby is sure to bring plenty of joy and change to your family. Perhaps you have questions which we could discuss during a visit. We are happy to provide you with information and advice. After our visit, we are always here to help you when and where needed.

With its „*Welcome to the World*“ baby visitation programme, the Community Foundation for the Fürstenfeldbruck District (Bürgerstiftung für den Landkreis Fürstenfeldbruck) aims to support all parents living in the district throughout the baby's first year.

Contact us now to make an appointment. We look forward to visiting you soon!

Our visits are free of charge.

Baby Visitation Programme

Our family visitors are specialists who have experience with infants in an extremely wide range of different areas and are also parents themselves. They will be happy discuss your questions and concerns, for example:

- > What services are available for families with a baby in the local area?
- > How can I ensure that my child has a healthy diet?
- > What tips and advice are available when it comes to organising my day-to-day life?
- > How can I encourage my baby's development?
- > Where can I find the things that I need in order to care for my baby? What support does my child need?
- > Where can I meet other mothers?
- > How can I get my child to sleep properly?
- > I've had so much advice but what is actually right?
- > Do I have enough milk? Is my child getting enough milk?
